

THAARANI S

thaaranisd2905@gmail.com | Chennai, Tamil Nadu

EXECUTIVE SUMMARY

Motivated Information Technology student with foundational knowledge in programming, databases, and web development. Skilled in Python, C, Java, MySQL, and emerging AI concepts, with hands-on experience through academic projects. Eager to apply technical and problem-solving skills in a professional environment while contributing effectively to organizational goals.

TECHNICAL SKILLS

Programming Languages: C, Python, Java

Databases: MySQL (Basic)

Web Technologies: Web Development, Full Stack Development Fundamentals

AI Technologies: Large Language Model (LLM) Basics

SOFT SKILLS

- Communication & Teamwork
- Problem Solving
- Time Management
- Adaptability
- Languages: Tamil, English

PROFESSIONAL EXPERIENCE

Panimalar Engineering College | Academic Projects

2024 - Present

Role: Project Contributor | Project: Cleanovate Arduino Bin

Responsibilities:

- Designed and developed a smart waste management project using Arduino.
- Assisted in integrating hardware components for automated functionality.
- Participated in testing and troubleshooting system operations.
- Collaborated with team members during project development.
- Documented project workflow and implementation process.

Impact:

- Successfully completed the academic project within the planned schedule.
- Strengthened practical knowledge of embedded systems and automation.
- Enhanced teamwork and technical problem-solving skills.

Panimalar Engineering College | Academic Projects

2024 - Present

Role: Project Contributor | Project: Crowdsourced Reporting System

Responsibilities:

- Contributed to the planning and development of the reporting system.
- Applied basic programming and database concepts during implementation.
- Worked with team members to organize project tasks.
- Assisted in testing and validating system functionality.
- Prepared project documentation and presentations.

Impact:

- Successfully delivered the project requirements.
- Improved understanding of software development processes.
- Gained practical exposure to collaborative project execution.

EDUCATION

Bachelor of Technology (Information Technology)

Expected Graduation: May 2028

Panimalar Engineering College, Chennai | Current GPA: 8.8

Higher Secondary Education

Completed: 2024

T.S.T Rajah Girls Matriculation Higher Secondary School, Chennai

AWARDS & ACCOMPLISHMENTS

- NPTEL Online Certification (Elite) — Programming in Java, IIT Kharagpur — 91% (Jan-Apr 2026)
- Certified in C Language
- Certified in Web Development
- Certified in Full Stack Development
